*Sometimes I withdraw  
and let my creativity run free.*

# love is in the air

Elevating the essence of plain design, the Float table family stands as a marvel of **sophisticated simplicity**.

Its design features a remarkably **thin tabletop that with its bevelled edge seems to float effortlessly** above its metallic frame, supported by sleek matte black crossbars. The lean silhouette of the Float table brings a refined aesthetic, perfectly crafted for enthusiasts of **minimalist spaces**.

# float<sup>o</sup>

Sophistication in simplicity : where design defies gravity.
