FLOURISH YOUR HOME

SIZE DOES MATTER

This table is anything but a static piece of furniture. We gather around it to eat, do our homework, toast the weekend or have a chat. BLOSSOM is alive. It grows to your own social rhythm. In its normal guise during the week, it can be extended by one or two 40cm or 60 cm extension leaves.

DURABILITY TRUMPS

Looking for the perfect table that transforms your space with elegance? The solid wood top provides a stylish look and a durable addition to your interior. The quality wood moreover comes from sustainably managed European forests. The result is a sturdy table that will last for years.

FRIENDS UPSTAIRS

After a tiring day, you simply crave an evening on the sofa. Sounds familiar? Of course, it does. But just then, you should call your girlfriends for a cosy girls' night. It has, after all, been proven that friends have a greater influence on your psychological well-being than your family or partner. All the more reason to cherish those friendships!

 **BLOSSOM T0100**

 **TORO C0310**
Samba beige - A01

FRIENDLY DESIGN

A round table interrupts straight lines in an interior, making a dining area instantly a lot friendlier. Child-friendly too, because you can waive sharp corners they can bump into good bye!

IMPERFECTION MAKES PERFECT

This BLOSSOM variant with mosaic finish is an organic ode to nature's asymmetry. The top veneer layer in real wood blends like a puzzle. Just like the delightful company around your table.

SUNDAY MORNINGS SMOOTH LIKE CHAMOIS

The weekend is made for things you barely have time for during the week, like a hearty breakfast with freshly squeezed orange juice, delicious breakfast cakes, hot pancakes with syrup ... and a handful of fine people. Who may join you at the table?

SPLIT PERSONALITY

The table top rests on a central base that reflects the natural beauty of a freshly cleft tree trunk. The split creates a unique breaking point between the two organically shaped parts which slide apart almost miraculously to place an extension leaf between them.

 **BLOSSOM T0301**

EXTENDED JUST LIKE THAT

Make this table longer using an extension system. The extension leaves can be store neatly in an included fabric carrying bag.

MADE TO GROW

The robust BLOSSOM table grows space with your nature with one or two extension leaves.

 **BLOSSOM T0402**
105x200/260/320cm - E25

 **MOOD#99 M1612**
genova grey - A09

YOUNG AT HEART

A wooden table looks robust too quickly. Yet this table top comes across as anything but pompous thanks to the slanted - or as they say: rejuvenated - table edge. Together with the oval eclipse shape, this stylish finish makes for a slender design that looks organic as well as minimalist in an interior.
